

2021 RTP Grant Recipients			
Project Sponsor	Project Scope	County	Federal Award
City of Ironton	Construction of 2 additional bicycle gravity trails (blue or black) on Shepherd Mountain. A second multi-use climbing trail will connect the Shepherd Mountain Lake property to the existing trails. Construction of hiking and bicycle trails on the property adjacent to Shepherd Mountain Lake. 2 gravity bicycle trails (green) will be constructed. Approximately 12 miles of multi-use cross country trails will be constructed. All of Phase 2 will be natural surface trails, with bridges, where necessary. Bicycle only trails will be 2 feet wide and multi-use trails will be 4 feet wide and bridges will be 4 feet wide.	Iron	\$ 250,000.00
City of Riverside	Construction of 0.15 mile 10' wide concrete connector trail with prefabricated pedestrian bridge with steel railings.	Platte	\$ 250,000.00
City of Cameron	Construction of 0.35 miles of new combination 8' wide ADA hard surface asphalt trail with directly adjacent 6' wide wood chip trail. The 6' wood chip surface would be installed where applicable.	Dekalb	\$ 65,000.00
County of Perry	Construction of a new 4.5 mile natural surface trail for biking, hiking and trail running, a 7,500 sq. ft. bicycle skills trail, and a 12,000 sq. ft. dirt bicycle pump track. Also an information kiosk at the trail head with a 20'X30' concrete slab pavilion and a 2 single user waterless restroom 11'11"X14'4".	Perry	\$ 250,000.00
Cape Girardeau County	Construction of 1,500 linear feet of 5.5' wide, 4 inch thick concrete, ADA accessible trail around the central lake. Installation of 38 LED walking lights around the trail. Construction of a ADA accessible, fully plumbed 16'X24' restrooms at the parking lot.	Cape Girardeau	\$ 71,550.00
City of Platte City	Renovation of a total of 0.65 miles of trails throughout the City. The six segments of trail will be renovated to be 10' wide, reinforced concrete trail. The project will also replace trailside trash receptacles, dog bag dispensers and benches and add ADA compliant signs.	Platte	\$ 149,000.00
City of Pleasant Hill	This project will construct a 1,965' off-road trail beginning just east of the Wilson Creek Bridge and ending at the main entrance of the City Lake. The trail will be constructed as a 10' wide limestone screening trail with 2-2' earth shoulders.	Cass	\$ 85,805.00
Poplar Bluff Parks & Rec Dept.	Construction of 2,218' of 8' wide concrete trail on the north side of PP Highway from Lurlyn Road to Business highway 67 and the construction of 610 feet retaining wall along trail.	Butler	\$ 250,000.00
